NOTES FROM THE DIAMOND

Anyone after a first-class pitcher should not overlook Pannmiller of Jersey City. He has already pitched seven games, six of which were shut-outs.

The Boston Americans want to get rid of Pitcher Harris. He is the biggest twirler in the American League—but not the best.

Sam Mertes won a game Sunday by a hit, steal of second and three and an infield play. He has proven a decided find for Minneapolis.

Manager Hanlon has promised the Reds \$1,000 if they finish in third place. They made a good opening bid for the coin Thursday.

"Sox win by bunting hits," says a paper. Well, did anybody ever hear of the Sox winning any other way? They never get enough to have them scattered around much.

Dave Fultz was asked the other day to describe his sensations when he was knocked cold in the collision with Elberfeld just before he retired from baseball. "There weren't any," replied Dave sententiously. "When I woke up I was in the hospital."

It is neither Cornell nor Princeton that is in the lead for the college baseball championship at present, but the Brown team, which has not lost a game and which has been beaten both Harvard and Yale.

A Rochester critic points out that Duffy came from a big league team and has a first division team at the bottom, while Kelley came from the same big league and put a tailender on top.

Joe Kelley, ex-Cincinnati manager, got two hits in four times up in the game which gave his Toronto team the lead of the Eastern League.

Jack Harper has been sent back to Chicago by Columbus. He failed to get in shape to pitch.

There is not a regular on the Chicago American team who is hitting over .275, yet they are leading the

SHORT TALKS BY L. T. COOPER.

LACK OF ENERGY.

No man or woman can be successful or happy if they lack energy. If they get

Mr. A. G. Latubys.

ple are this way. The cause is lack of vitality. Vitality or energy is the power to go and keep on going without becoming more than healthily tired. It comes from a perfectly working system just as power comes from a perfectly working engine. If you lack this power something is out of order. Ten to one it's your stomach.

Take two bottles of Cooper's New Discovery. It will get the stomach in shape. See if energy and ambition don't come back before the two bottles are gone.

This letter is from a man who tried it:

"After suffering for some time from stomach trouble, loss of appetite, headaches and a kind of 'all tuckered out' feeling I decided to try Cooper's New Discovery."

"I used to get up in the morning with my tongue coated and sick at my stomach. I would feel as though it was almost impossible to drag myself to work. Lots of times I had dizzy spells and backaches. After I used several bottles all these symptoms began to disappear and soon I began to feel like my old self again. Now I feel like a new man. It is a pleasure to work, for I always feel like it. I eat well, and sleep well and am sure I will have no further trouble with my stomach." A. G. Latubys, 167 Porter St., Detroit, Mich.

It is estimated that nearly half a million bottles of the famous Cooper medicines were sold during Mr. Cooper's recent demonstration in Chicago. We are agents.
